Co-Chair - Sadia Sanders
Email: firstbornqueen@hotmail.com

The Crimson Jewels Cotillion Program is geared toward developing young women for their presentation to society. The program provides several scholarship opportunities for the participants and grooms young girls in preparation for womanhood. Co-sponsored by the Los Angeles South Bay Alumnae Chapter of Delta Sigma Theta Sorority Inc. and the Delta Associates Foundation, whose members take great pleasure in providing this to young ladies of the Greater South Bay and Los Angeles areas.

Activities are designed to enhance academic, social, cultural and civic awareness and promote self-confidence, poise and esteem among all participants.
