

Greeting Sorors, Community Partners and Visitors

Welcome to the official website of the Los Angeles South Bay Alumnae Chapter of Delta Sigma Theta Sorority, Inc. It is an absolute pleasure to have you view our website which was developed to provide key information about our sorority and local chapter, chapter programs, and the dedicated and dynamic members who work tirelessly to better the lives of others.

For over 42 years, the Los Angeles South Bay Alumnae Chapter has made a difference in the communities of Carson, Compton, Gardena, Lynwood and South Central Los Angeles. In realizing our mission, Delta Sigma Theta provides an extensive array of public service through our Five-Point Program Thrust of Physical and Mental Health, Educational Development, Economic Development, International Awareness and Involvement, and Political Awareness and Involvement. Some of our signature programs include, but are not limited to the following: His Sheltering Arms (a shelter and rehabilitation program for women and their young children), Food Distribution, the Dr. Betty Shabazz Delta Academy and the Dr. Jeanne L. Noble Academy (programs that mentor middle and high school girls in academic and social graces), Black Heritage Essay Contest, and our Carter-Weaver Scholarship Program.

Annually the Los Angeles South Bay Alumnae Chapter partners with the Delta Associates Foundation to present our renowned fundraising event, "Sepia Fashion Revue and Luncheon". This gala boasts an annual attendance of over 900 and provides local area vendors an opportunity to showcase their products. Proceeds from the event benefit deserving high school graduates in our service areas through our Carter-Weaver Scholarship Program.

Through the dedicated volunteer service of our membership and the continued efforts of supporters such as yourself, the Los Angeles South Bay Alumnae Chapter has been able to provide exemplary service and assistance to communities in the greater South Bay area and internationally.

Please visit our website often for updates and highlights, and feel free to contact us for more information about the work that we do to serve our communities.

"Each one, reach one!"
